2015 TRANSPORTATION CONSTRUCTION COALITION FLY-IN

April 14-15, 2015
HYATT REGENCY WASHINGTON
WASHINGTON, DC

MAKE YOUR VOICE HEARD: FIX THE HIGHWAY TRUST FUND!
Dear Transportation Construction Industry Leader:

Federal transportation programs are facing a crisis this year. With MAP-21 set to expire May 31, and the Department of Transportation estimating that the Highway Trust Fund will run out of money this Spring, there has never been a greater need for Congress to act. Highway Trust Fund revenue remains insufficient to support current funding levels. New Representatives and Senators are unfamiliar with how these programs operate and the benefits they bring not only to their states and districts, but also the incredible contribution they make to the national economy.

This is the year to come to DC and deliver the message: “Fix the Highway Trust Fund!” Constituent visits are a key component to any successful advocacy strategy on Capitol Hill. Join your industry allies in Washington, DC, April 14-15, 2015, for the Transportation Construction Coalition’s 2015 Legislative Fly-In. Your congressional delegation needs to hear from you about the importance of continued investment in transportation infrastructure to the nation’s economy — creating jobs while building the future.

As in the past, a legislative briefing is scheduled to update you on the latest congressional developments and educational briefing packets will be prepared for you to deliver to your congressional delegation.

The transportation construction industry cannot afford to sit back and wait for Washington to act. Now is the time to demand action. Congress needs to understand that failure to address the Highway Trust Fund crisis and ensure sustainable funding undermines the construction industry sector — materials producers, contractors, equipment manufacturers, labor — builders of the America’s surface transportation network essential to economic growth and prosperity. Join hundreds of other industry leaders in delivering our message to Capitol Hill on April 14-15 in Washington DC.

**Hardhats for Highways**

Bring some hardhats with your company logo to the Fly-In. “Hardhats for Highways” stickers will be available for you to affix to your company hardhat indicating the number of company jobs that will be impacted if the Highway Trust Fund is not fixed before the end of the year. These should be presented to your Congressional Delegation when making your Hill visits to demonstrate the direct relationship between Federal highway funding and jobs.

**EVENT SCHEDULE**

**Tuesday April 14**

2:30 PM to 5:00 PM | Legislative Briefing

6:00 PM | Capitol Hill Reception

**Wednesday April 15**
