

Ronnie Pruitt
Vice Chair, Paving Committee
Portland Cement Association

Ronnie Pruitt is the current vice chair of the Portland Cement Association's Paving Committee. He is also a member of the American Concrete Pavement Association Board of Directors.

Pruitt is vice president of cement and aggregate market and sales for Texas Industries, Inc. (TXI). He joined TXI in 1995 and has held various positions in the cement, aggregates and concrete operations since then including sales manager for North Texas and general sales manager for the Central Region.

TXI is a leading supplier of cement, aggregate and consumer product building materials used in construction projects ranging from residential and commercial buildings to roadways and other public works projects.
