

# 2022 Cement & Concrete Fly-In

Join the cement and concrete industry in our advocacy efforts by tweeting at the members of Congress you are meeting with! Utilize one of the below sample tweets or craft your own!

I just met with **@MemberofCongress** to urge them to expand 45Q tax credits. This legislature will help the cement & concrete industry reduce its carbon footprint. #NACAFlyIn

The #cement and concrete industries have committed to achieving carbon neutrality across the entire value chain by 2050. **@MemberofCongress** #NACAFlyIn #ShapedbyConcrete

The #cement & concrete industry are ready to work on implementing IIJA. I just met with **@MemberofCongress** to discuss the workforce shortage our industry faces as we implement this legislation. #NACAFlyIn

I just met with **@MemberofCongress** to encourage the use of portland-limestone cement when implementing IIJA! #NACAFlyIn #Infrastructure
